

Now Extended until July 31, 2010

Simrad Yachting Extends 2010 Sales Event

Simrad Yachting announces the extension of its 2010 Sales Event, which now runs until July 31, 2010, offering consumers big savings with cash rebates on qualified marine electronics. Purchases made beginning February 8, 2010 will be honored as part of this promotion.

In addition to the extension of this promotion, the Northstar 6kW radar (part number: NS004792R) has been added to the product mix.

Rebate forms and other materials are currently available for download at <http://www.simrad-yachting.com/timeforanupgrade/us/>.
