MATCHING  
RADOME WHEN  
ORDERING AN  
INTELLIAN s100HD

When placing a new order for the Intellian s100HD system you can order a FREE matching radome. This allows you to provide your customer with a updated dual installation with matching domes.

This promotion is available for all orders for s100HD, placed between May 1<sup>st</sup> and July 31<sup>st</sup> 2017. Purchase order must state Free Dome requirement. Shipping not included. Matching dome is v100 standard Ku-band radome. If this is selected for your customer they are not able to claim the \$1000 rebate.
