Subject: Oversized Shipping Rates

Dear Seawide Customer,

Due to increasing carrier costs, Seawide will raise our flat rates for oversized shipments effective March 15, 2019. Please reference the new flat rates on the second page of this memo.

We appreciate your understanding; it has been many years since we've had a shipping price increase. Unfortunately, we are no longer able to absorb the recent increases from our shipping partners.

There is no change to Seawide's standard shipping flat rates including Standard Overnight and Standard Two-Day.

Should you have any questions or concerns, please don't hesitate to contact us directly. Thank you for being a loyal Seawide customer. We truly appreciate your business.

Sincerely,

Keith Wansley  
President
